Cc: "Paradis Béland, Olivier" <olivier.paradisbeland@fin.gc.ca>
Date: Fri, 18 Feb 2022 15:46:07 +0000

I spoke with the RCMP about getting updated numbers. Here is what we could respond to the DM.

s.39

s.39 RCMP is working to get us updated numbers on:

- # of individuals involved in the illegal assemblies disclosed to financial services providers
- # of companies involved in the illegal assemblies disclosed to financial services providers
- # and dollar amount of crypto wallet addresses identified with crypto exchanges

They are working to get these numbers within the next 30-45 minutes but note that **these are note for public disclosure.**

- RCMP also confirmed that media reports yesterday suggesting that up to 34 crypto wallets had been identified appears to be inaccurate. The correct number was 24.
